“Connecting Kids to Life”

Advent Adventures

In the words of Godly Play: “Advent is the special time when we get ready for the mystery of Christmas”. During the Sunday School hour (10:05am-11:05am) on **November 22nd** families and individuals will have an opportunity to “get ready” by participating in **Advent Adventures**. The children’s wing will be set up in self-guided stations that will make it easy to learn about and prepare for the Advent Season. There will be a chance to make an advent wreath for your home or refresh one you have made in previous years (bring it with you). New candles will also be available for those who have a wreath in good condition. (Donations will be accepted to cover the cost of supplies). Come for a morning of fellowship, refreshments, activities and learning.

Christmas Eve

We will once again celebrate Christmas Eve with a “family friendly” service at 5pm. This year the Older Elementary choir will present the musical **“It Happened in the Country”**. The Older Elementary Choir (3rd-5th graders) has begun working on the music and drama at their weekly rehearsals, Wednesdays, 5:15pm-6pm. If you have a child interested in participating, please contact Kandy Steiner.

There will also be an opportunity for preschool-2nd graders (and any 3rd-5th graders who are not part of the cast) to participate in a nativity scene. Look for a sign up in early December.

Additional “It Happened in the Country” rehearsals will be:

- Saturday, December 5th, 9am-11am - Older Elementary Choir
- Saturday, December 12th, 9am-11am - Older Elementary Choir
- Saturday, December 19th, 9am-11am-Older Elementary Choir **and nativity participants**
- Wednesday, December 23rd, 9am-11am - Older Elementary Choir

Flu Season

To help prevent the spread of germs and to support the policies of our Weekday School, we are beginning some new sanitation procedures. Each classroom is now equipped with a bottle of hand sanitizer and a bottle of Clorox Hard Surface Spray. As each person enters a room (adults and children), they will be asked to use the hand sanitizer and when each activity is over, the counters, tables, and chairs will be sanitized with the Clorox cleaner. We appreciate everyone’s cooperation!

Acolyte Training

Acolyte training will be led by Mayreese Koraly and will begin in January. All third graders and older are invited to learn about the meaning and responsibilities of being an acolyte. Look for more details soon.
